

KANATA COLLECTION™

INSULATED STEEL RESIDENTIAL GARAGE DOORS

Our Most Energy-Efficient Residential Door

The Kanata Collection™ combines style and durability with environmental friendliness. Polyurethane insulation is foamed in place, which ensures a consistent density and significant panel strength. With a 44.5mm (1-3/4") thickness, R-value of 16.3, new tongue and groove design and a true thermal break, the Kanata Collection is our most energy-efficient residential door available.

Key Features & Benefits

- High-quality, versatile and eco-friendly.
- Available in six designs: long and short raised panel, long and short carriage house, ribbed panel and flush versions.
- Multiple glazing window and insert options add value to any home.
- With a built-in thermal break, this door is suitable for both cold and warm climates.
